

Leadership Trainee Program

We are constantly looking for new talent from the ranks of graduates, who can bring our company new ideas and new skills. Our company offers them the Leadership Trainee Program, in which they have the opportunity to rotate through different departments, getting to know how different teams work, gain diverse experience, develop their talents and kick start their careers.

We are looking for young colleagues for our Leadership Trainee Program who are inspired by our mission, are curious and have a desire to learn new things. We are looking for people who can work independently, but also as part of a team. The program runs for one year and you can find current openings by using the search function in the section [Career Search](#).
